OBJECTIVE

I am a BTech graduating in 2026 with python and web development passionate .I have a strong interest and eager to learn and apply my knowledge in organization which helps to upgrade my skills

EDUCATION

2020
- **Netaji E.M school**
  Ssc
  586

2020-2022
- **Viswam Jr college**
  Intermediate-MPC
  719

2025
- **Madanapalle institute of technology and science**
  Btech-CST
  8.58

SKILLS

- Python
- Java
- Bootstrap
- Html,css,Javascript
- SQL

INTERPERSONAL SKILLS

- Team work adaptability
- Consistent
- Hardworking

PROJECTS

- **Airbnb cloning**
  Developed a airbnb website cloning using html css
- **Image to grayscale**
  Transform colored image to gray scale using python using gaussian blur
- **Dirbble cloning**
  Using html css developed a dribble dashboard using bootstrap
- **Employee burn out rate prediction**
  Developed a machine learning model using machine learning algorithms which predicts the burn rate

ACHIEVEMENTS & AWARDS

- Successfully organized a department -level event as part of the college technical fest
- Participates in multiple coding competitions webinars and technical hackathons
- Regular participant in coursera and Upgrade workshops to unskilled technical capabilities

INTERESTS

- Python programming ,Front-end development

CERTIFICATION

- My first python program from coursera
- Html , css boot camp from upgrade
- React bootcamp from upgrade

INTERNSHIPS

- ExcelR Foundations - Machine Learning (6 weeks)
  Developed a machine learning model to predict employee burnout using real -world datasets
  Understood and implemented supervised learning algorithms including machine learning algorithms
  Explored correlations between workload and burnrate
  Upgraded python programming skills from basic to intermediate level

TRAINING

- Attended Full stack training conducted by Hysteresis duration of one month which had upgraded skills in web development
  Hands on projects with react

DECLARATION

- I hereby declare that the information furnished above is true to best of my knowledge
